

The K2 Story

Chapter 1

Kia-ora & Welcome to our Whare

Firstly, thank you for navigating your way through the hustle and bustle of un-indicating busses, unscheduled road blocks & of course the hundreds of pot holes to find us here at K2
Secondly, we get it and appreciate your patience.

Where did K2 get its name you ask? Well this is a discussion that does occur and it can have a few meanings, but K2 simply means Kelly (K1) & Kandy (K2). Between us we have over 25 year's experience in hospitality, yup that makes us oldish!!

Along with our 20 staff (mainly women) we want to take you on a food journey using the best home-made, home-grown produce & deli products available. We offer some classic, twisted & humorous dishes that the whole family can laugh about & enjoy.

So sit back, have a giggle, and let your eyes feed your Puku as you take on the challenge of deciphering the kiwi coded jargon.

Its game on!!
